

# Cavendish School of English

# Gold Edition

## Embley Park

Embley Park is privileged to be based in such a beautiful surroundings. The school, located in Wellow (near Romsey, Hampshire) is steeped in history. Much of the main building was originally constructed in the 16th and 17th centuries. It was also the family home of Florence Nightingale from 1825 to 1910. Over the past half century, the internal arrangements have changed in order for the main building to be used as a school and boarding house.

Embley Park offers access to extraordinary facilities: a nine-hole golf course, 6 tennis courts, full-size astroturf pitch (for Hockey or Football), indoor sports hall (for badminton, basketball, cricket and football), a small gym and indoor swimming pool.

Our programme is full of excursions and activities in order to immerse our students in the English culture. The English lessons are a mix of tradition methodology and modern technology. All the classrooms have interactive smartboards, controlled with I pads, and are all linked via Apple TV. There is free WiFi across the campus.

# Embley Park

Fantastic location on a closed, safe campus  
 2 week English courses for ages 9 to 17 years old
