- We, the parents/legal guardians consent that our son/daughter can take part in a language course at Cavendish School of English. We confirm that our child is sufficiently responsible and mature enough to study at a school where there will be students aged 18 and over.

We understand that:

- 1.** Our child will study in classes with students aged 18 and over.
- 2.** Our child will travel between the school and the homestay unsupervised.
- 3.** Our child will not be supervised during their free time, e.g. between the end of their lessons at the school and returning to their homestay. This could include shopping.
- 4.** All students aged 16 must be home by 22:30 and students aged 17 by 23:30. If our child leaves their host family house after dark, they must inform the host family where they are going.
- 5.** If you wish your child to be home before the above times, please indicate the time below.
- Time to be home on weekdays:
 - Time to be home on weekends:

- 6.** The school's social programme is not compulsory, nor is it specifically designed for this age group. Certain activities are not suitable for students under 18. All school social activities are supervised by school staff who can assist the students attending the activity. We strongly advise all students to return to their host family with a friend, or preferably by taxi, particularly in the evening when it is dark.
- 7.** Our child will have sufficient money to pay for lunches at the school, and for transportation in Bournemouth. For guidance, £6 per day should be sufficient for lunch and drinks in the school canteen.
- 8.** If our child visits a friend/relative they must have the school's permission and they must inform the school and host family of their travel plans and who they are going to visit. The friend/relative must collect our child and return them to the homestay.
- 9.** Can your child visit below named friend/relative and stay overnight? YES NO
